Topic

Rural Plan – Alex Henderson

Council discussed the issues with the current draft of the Rural Plan, based on public input. Council requested the plan be redrafted to more closely match that of Fundy-St. Martins and Grand Manan. They found that plan to be more user friendly. Alex discussed some of the concerns with that type of plan, of being too limited causing many amendments over the life of the document. It was an agreement of both parties that the current draft be changed in its general definitions and more example uses of the zones.

Logo Discussion

Council chose a logo for use and asked that it be forwarded to designers for “clean up” and to be vectored for future use.
